Flubaroo should be installed at this point
Close the Script Gallery window
Proceed to grade quiz
The default point value for each question is 1 point

Use the drop down menu if you want to assign a different point value to each question

*You can also opt to skip the question from the drop down menu
Choose which submission you want to be the answer key

Usually this should be the amyng@scriptworks.com entry or the key with the earliest submission time stamp

Click continue
Click on View Grades
Here you can view each personnel’s grade

If a personnel took the quiz multiple times, only the most recent submission will be graded

On the bottom, you can click between the Student Submissions Tab and the Grades Tab to see the personnel’s submitted answers and their grades.
